Fran ois GEORGES
Secretary General

ICC France is an ICC national committee. These national bodies comprise leading companies and business associations in their countries or territories. National committees shape ICC policies and alert their governments to international business concerns. Companies and business associations interested in joining are invited to contact ICC France.

Benefits of membership

The International Chamber of Commerce speaks on behalf of enterprises from all over the world, grouping hundreds of thousands of member companies and associations in more than 120 countries.
