

# Our Board of Directors

SolarPower Europe, the new EPIA (European Photovoltaic Industry Association), is a member-led association representing organisations active along the whole value chain. Our aim is to shape the regulatory environment and enhance business opportunities for solar power in Europe.

SolarPower Europe's Board of Directors are elected every third year at the Annual General Meeting by our members. The current board was elected in 2017. Dr. Christian Westermeier is the appointed President of the association.
