

[Home](#) / [About AIP](#) / [**Membership**](#)

Membership

Membership of AIP is available as follows:

Members comprise companies involved in refining and/or marketing of petroleum.

Associate Members comprise:

- companies engaged in the supply of services and products to the petroleum refiners, marketers and distributors
- companies seeking access to the services provided by AIP's subsidiary, the Australian Marine Oil Spill Centre (AMOSC)
- universities, research establishments, government departments and authorities and other non-profit organisations with interests in the petroleum products industry.

**Apply for Corporate
Membership**
