

NAM Board of Directors

The men and women of the NAM's Board of Directors are committed to advancing the values that make manufacturing strong and America exceptional: free enterprise, competitiveness, individual liberty and equal opportunity.

National Association of Manufacturers Board of Directors

More than 200 of the nation's top manufacturing executives, representing small and large companies across all industrial sectors and approximately 80 percent of Fortune 100 manufacturers and, the board is committed to advancing the values that make manufacturing strong and America exceptional: free enterprise, competitiveness, individual liberty and equal opportunity.
