Our Associates

Companies affiliated to AMEXHI are investors that operate in Mexico under contracts signed with the Mexican government, thus multiplying local capacities and complementing Pemex's activities.

Our affiliated companies have different sizes, areas of expertise, and nationalities; they are interested in investing in Mexico; committed about carrying out safe, responsible, and sustainable operations.
Benefits

The Association aims for the Mexican hydrocarbon extraction and exploration industry to be developed with the highest international standards on performance and transparency, for which purpose it seeks to share with academic, government, business entities, and the civil society reflections and the analysis of best practices, as well as the adoption of public policies that enable the sector to efficiently contribute to the development of a safe, socially responsible industry, committed to Mexico’s sustainable growth.

A membership of the Asociación Mexicana de Empresas de Hidrocarburos, A.C. (Mexican Association of Hydrocarbon Related Businesses), provides the following benefits:

- Tax advisory
- Legal advice
- International best practices advisory
- Rules and regulations advisory

The Association, in order to exclusively fulfill its corporate purpose, can organize courses, seminars, lectures, or any other similar event.

Associates have the right to actively take part in the Committees and Sub-Committees of the Association.

Amexhi members must fulfill the following basic requirements:

1. To be a company with proven operations in any part of the world or to be pre-qualified by the Mexican National Hydrocarbon Commission as a participant in the Rounds.
2. Commit to comply with AMEXHI statutes and its ethics code.
3. Pay the annual membership fee.

If you wish to be part of Amexhi, or if you have any questions about the requirements or the admission process, please contact us:
